Children may not bring toys, games, or electronic devices from home, except on Friday's. We will allow special times for video games, which must be approved by the Camp Director.

## **ACTIVITIES**

We plan to have outside groups which will be bringing in programs (both educational and fun). There will be water days on the campus on Tuesdays and Thursdays, Bible lessons, singing and crafts. In addition, we will have outdoor recreation when weather permits and, on rainy days, will have game days inside. When possible, field trips may will be planned.

## **DISCIPLINE POLICY**

The staff of Summer FunCamp will use positive discipline techniques such as rewards and consequences. The staff will keep parents aware of any serious discipline problems. Any child who is not able to follow the program guidelines will be written-up. Parent will be given copies of the write-up. Parents may also be called at home or work if a severe discipline problem occurs, which may result in the immediate pick-up of the child. These measures make the program safe and enjoyable for all.

Thank you for allowing us to care for your child during the summer months. It's a joy for us to serve our community with this opportunity!
